SOO Floor Hockey Order Form

Special Olympics Ontario is pleased to partner with schools in supplying equipment to make sport more accessible for all! Schools new to the Special Olympic floor hockey program will be given 5 complementary sticks to ensure all teams can participate in games. SOO understands that many teams find it beneficial to purchase additional sticks as this allows them to run full team practices leading up to competitions. SOO would also recommend that schools submit these order forms as soon as possible but no later than Dec 1st 2019 to ensure that equipment is received in time for floor hockey season.
