

2023 World Summer Games

Golf Identification

May 31, 2022

General Eligibility

Athletes must meet the general eligibility requirements as outlined on the [World Games Games Qualifying Site](#).

Identification Process:

1. Athlete eligibility lists will be distributed to all communities for initial community endorsement.
2. Athletes on the eligibility list who are interested in being Identified for the World Games will be required to submit a Declaration of Interest Form by June 30, 2022.
3. Declaration forms will be reviewed to confirm eligibility.
4. Female athletes will be invited to attend a Level 5 Hometown Games Golf Competition.
5. Athlete results will be reviewed to confirm ability to meet the sport specific standards listed below.
6. Division winners will then be entered into the final random draw.
7. A final parent/guardian endorsement will take place.
8. Athlete's names will be submitted to Special Olympics Canada for final review and announcement to the National Team Training Program.

Female Level 5 Golfers must average below 120 for 18 holes.

Note: A handicap is required by September 1st for the athlete who is Identified to the National Team Program.
