

# 2023 World Summer Games

## Powerlifting Identification

May 31, 2022

### **General Eligibility**

Athletes must meet the general eligibility requirements as outlined on the [World Games Games Qualifying Site](#).

### **Identification Process:**

1. Athlete eligibility lists will be distributed to all communities for initial community endorsement.
2. Athletes on the eligibility list who are interested in being identified for the World Games will be required to submit a Declaration of Interest Form by June 30, 2022.
3. Declaration forms will be reviewed to confirm eligibility.
4. Coach endorsement of the athletes will take place.
5. The results from the 2019 Provincial Qualifiers will be reviewed using the IPF formula and the top overall female lifter from those results will be identified.
6. A final parent/guardian endorsement will take place.
7. Athlete's names will be submitted to Special Olympics Canada for final review and announcement to the National Team Training Program.
