2c. The Game

Games will be played on a gym floor. 'Rink' size will be similar to that of a single gym.

There will be no side or end boards used at competitions. All pucks crossing the side or end lines will be deemed out of bounds. A puck behind the net is still considered "in play". The non-offending team will be given access to the puck to pass it back into play.

1. Games will be played for two, 10 minute halves, with 1 minute in between each half.
2. Each period will consist of 3, 3 minute shifts. Coaches are asked to change their entire 5 player line, unless they do not have enough subs. Signal from the Game Timekeeper will indicate the end of each shift. To resume play at the beginning of each period, the face-off will occur at the centre face-off circle. All other stoppage of play will resume at the face-off circle closest to the stoppage of play.
3. All actual play during the game shall be clocked as running time. The clock will be stopped in the following circumstances.
 - "time-out" request
 - between shifts (line changes)
 - player substitutions (in case of injury)
 - assessment of penalties
 - at the Referee's discretion
4. Each team shall be allowed a 1-minute time-out per game. The team official shall signal the Referee during a stoppage of play by making the letter "T" with his/her hands.
5. Teams must change ends after each period unless both coaches decide before the game not to do so.

2d. Competition

Face-offs

1. A face-off shall occur:
 - To begin the game and each period at the centre floor face-off circle;
 - After each stoppage of play during a period, the face off will occur at the nearest face-off circle, unless it is after a goal or a crease violation by an offensive player.
 - After a crease violation by an offensive player the face-off will occur in the offender's zone;
 - After each goal at the centre floor face-off circle;
 - After each minor or major penalty at the offending team's defensive end;
 - When an unsafe condition exists due to a cracked or broken stick(s) in the vicinity of play or at any other time deemed appropriate by the referee. A

face-off must take place at the nearest face-off circle to the position of the puck when play was stopped.

- In the case of a delay penalty call the resulting face-off shall be at the nearest face-off spot in the defensive zone of the team receiving the penalty.
 - In a situation where both teams receive penalties, the face-off shall be at the nearest face-off spot to the actual stoppage in play.
2. The players taking the "face-off" shall stand squarely facing their opponent's end of the floor. All players must be "on-side" with no player within 1.8 m (6ft.) of the players facing-off.
 3. The players facing-off and their sticks must be an equal distance from the puck, 30 cm (1 ft.) from the centre of the face-off spot.
 4. Play is put in motion when the referee blows his/her whistle.
 5. The puck must be swept out of the face-off circle without placing the stick in the centre of the puck and contact must be made by another player other than the one facing-off before the centering player can regain control of the puck.
 6. If a player facing-off fails to perform the face-off correctly, i.e. repeated attempts to anticipate (beat) the whistle, the Referee may order him/her replaced for the faceoff by any player on the floor. The coach will appoint an alternative player.

The penalty is still part of the 3 penalty called rule. If the defending team is already serving a minor penalty and a goal is scored during the delay call, the goal will only negate minor penalty being served.
2. 3 penalty rule: If a player receives a "Games Misconduct Penalty" as a result of receiving a third minor penalty, the "Games Misconduct Penalty" shall be served after the players third minor penalty has expired. The Manager or Coach of the penalized team shall select an individual to serve the Minor Penalty.
