

Unified Leadership Council

Goal:

The Unified Leadership Council is dedicated to fostering inclusive leadership practices, knowledge sharing, and network opportunities for young leaders across the province.

Students will:

- Meet 1-2 a month virtually to collaborate with athletes and partners across the province on topics of inclusive sport, leadership, and whole school engagement.
- Take place in leadership training and skill building.
- Be a champion for inclusive change in their school and community.
- Attend and organize youth summits.
- Serve as a liaison between schools and Special Olympics Ontario.

Volunteer Opportunities:

Students who are a part of ULC can also get involved in their community. By connecting with their local SOO chapters, youth leaders can participate in fundraisers such as a local polar plunge or volunteer at SOO community competitions.
