Emails

SOO Announcements – Monthly

Schools will receive province-wide email announcements and reminders on the first Tuesday of each month.

Regional Communications – Monthly (Calendar Invites)

Schools will receive a calendar invitation email from their regional contact for each local event, followed by a reminder email approximately 10 days prior. After registration, a participant's email with event details will be sent 5-6 days before the event. Additional communications may occur for special events and programs available in the community.

Each area has a regional lead who supports each school directly for all events & programs. If you do not know who your regional contact is, please [Click Here](#).
