INDEPENDENT AUDITOR'S REPORT

To the Board of Directors and Members of
Special Olympics Ontario Inc.
TORONTO
Ontario

Opinion

We have audited the accompanying financial statements of Special Olympics Ontario Inc. which comprise the statement of financial position as at June 30, 2025 and the statement of operations and changes in net assets and statement of cash flows for the year then ended and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the entity as at June 30, 2025 and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2025

PURPOSE OF THE ORGANIZATION

Special Olympics Ontario Inc. (the “Organization”) is a provincial organization that provides athletes with intellectual disabilities the opportunity to experience and succeed in sport. The Organization was incorporated in 1979 without share capital under the Corporations Act (Ontario) and is a registered charity under the Income Tax Act (Canada). The Organization is exempt from income taxes and may issue tax-deductible receipts to donors.

1. SIGNIFICANT ACCOUNTING POLICIES

These financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations and include the following significant accounting policies:

a) Basis of Presentation

The Organization meets its objective of providing intellectually disabled athletes with opportunities in sport through the cooperation of many local community endeavours in organizing programs and providing support to athletes throughout Ontario. The Organization acts as a governing body over these community endeavours.

The Organization has excluded the operational expenses and financial positions of these community endeavours from the financial statements since they are immaterial to the Organization, the Organization does not exercise financial control over the local programs undertaken by the communities and the cost of preparing consolidated financial statements would exceed any benefits from doing so. These financial statements include only those assets, liabilities, revenues and expenses directly attributable to the Organization and do not include the operating results of the community endeavours.

b) Use of Estimates

The preparation of financial statements in accordance with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions based on currently available information. Such estimates and assumptions affect the reported amounts of assets and liabilities as at the date of the financial statements and the reported amounts of revenues and expenses during the year. Actual results could differ from the estimates used.

Significant estimates include the estimated useful life of capital assets and certain accrued liabilities.

SPECIAL OLYMPICS ONTARIO INC.

NOTES TO FINANCIAL STATEMENTS

1. SIGNIFICANT ACCOUNTING POLICIES - Continued

c) Foreign Currency Translation

Accounts in foreign currencies have been translated into Canadian dollars using the temporal method. Under this method, monetary assets and liabilities are translated at the year-end exchange rate, while non-monetary assets are translated at the rate of exchange prevailing at the date of the transaction. Revenues and expenses are translated at the rate of exchange in effect on the transaction date.

d) Cash, Cash Equivalents and Investments

Cash and cash equivalents consist of cash held in bank balances and investments readily convertible to cash. Investments consist primarily of guaranteed investment certificates. Investments held for the purposes of meeting short-term unrestricted commitments are shown as current assets and included in the reconciliation of unrestricted cash flows. Investments held for the purposes of supporting internally restricted net assets are shown as non-current assets.

e) Capital Assets

Capital assets are recorded at cost. Amortization is provided over the estimated useful life of the assets using the following annual rates and methods:

Furniture and fixtures	10 years straight-line
------------------------	------------------------

f) Impairment of Capital Assets

When a tangible capital asset no longer contributes to an organization's ability to provide goods and services, or the value of future economic benefits or service potential associated with the tangible capital asset is less than its carrying amount, the net carrying amount of the tangible capital asset is written down to the asset's fair value or replacement cost.

g) Revenue Recognition

The Organization follows the deferral method of accounting for contributions. Restricted contributions, including grants and subsidies, are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions, including grants, are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Proceeds from Nevada tickets, memoriam and general revenues are recognized as revenue upon receipt. Interest revenue is recognized as earned.

1. SIGNIFICANT ACCOUNTING POLICIES - Continued

h) Contributed Services and Gifts-in-Kind

Volunteers contribute a significant number of hours per year to assist the Organization in carrying out its activities. Because of the difficulty in determining their fair market value, contributed services are not recognized in the financial statements.

In the normal course of operations, the Organization receives contributions of various materials, gift cards, and marketable securities. These gifts-in-kind are recognized as revenue and are measured at their fair value at the time of the donation when the fair value can be reasonably determined.

i) Financial Instruments

Measurement of Financial Instruments

The Organization initially measures its financial assets and liabilities originated or exchanged in arm's length transactions at fair value at fair value. The Organization subsequently measures all its financial assets and financial liabilities at amortized cost.

Financial assets subsequently measured at amortized cost include cash and cash equivalents, investments and accounts receivable. Financial liabilities subsequently measured at amortized cost include accounts payable and accrued liabilities and program funds segregated.

The Organization has no financial assets measured at fair value and has not elected to carry any financial asset or liability at fair value.

Impairment

Financial assets measured at amortized cost are tested for impairment when events or circumstances indicate possible impairment. Write-downs, if any, are recognized in the excess of revenues over expenses and may be subsequently reversed to the extent that the net effect after the reversal is the same as if there had been no write-down. There are no impairment indicators in the current year.

j) Allocation of Expenses

The Organization reports expenses based on various operating functions as disclosed on the statement of operations. The costs of each function include salaries and benefits, supplies and other expenses that are directly related to the function. The Organization also incurs a number of administrative support expenses that are common to various functions, and allocates certain common administrative support expenses based on the following:

	Programs	Administrative	Fundraising
Rent and utilities	75%	10%	15%
General office expenses	75%	10%	15%

Thereafter	<u>189,335</u>
	<u>\$ 523,455</u>

10. FINANCIAL INSTRUMENTS

Risks and Concentrations

The Organization is exposed to various risks through its financial instruments. The following analysis provides a measure of the Organization's exposure to and concentrations of risk at June 30, 2025:

a) Credit Risk

Credit risk is the risk that one party to a financial instrument will cause financial loss for the other party by failing to discharge an obligation. The Organization's main credit risk relates to its accounts receivable. The Organization is not exposed to significant credit risk. There has been no change in the assessment of credit risk from the prior year.

b) Liquidity Risk

Liquidity risk is the risk that the Organization will encounter difficulty in meeting obligations associated with financial liabilities. The Organization is exposed to this risk mainly with respect to its accounts payable and accrued liabilities and program funds segregated. The Organization manages this risk by managing its working capital and by generating sufficient cash flow from operations. There has been no change in the assessment of liquidity risk from the prior year.

10. FINANCIAL INSTRUMENTS - Continued

c) Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk, and price risk. The Organization is mainly exposed to currency risk and interest rate risk as follows:

i) Currency Risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. As at June 30, 2025, cash and cash equivalents of \$20,157 (2024 - \$6,344) are denominated in US dollars and have been converted into equivalent Canadian dollars at the exchange rate in effect at the year end. The exposure to this risk changes as the transaction amounts change and as the exchange rate fluctuates. The average US exchange rate for 2025 was 1.40 (2024 - 1.36).

ii) Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. As described in Note 2, the Organization is exposed to interest rate risk with respect to its investments. The exposure to this risk fluctuates as the investments and related interest rates change from year to year.

11. ALLOCATION OF EXPENSES

Administrative support expenses including rent, utilities and general office and overhead costs totaling \$297,823 (2024 - \$297,608) have been allocated to the following functions:

	2025	2024
Programs	\$ 223,367	\$ 223,206
Fundraising	44,674	44,641
Administrative	<u>29,782</u>	<u>29,761</u>
	<u>\$ 297,823</u>	<u>\$ 297,608</u>

12. COMPARATIVE FIGURES

Certain of the comparative figures have been restated in order to conform with the presentation adopted in the current year.
